**PARENT LINK : MAY 2017**

5 May 2017

Dear Parents & Guardians

April has always been an exciting month for us at CHIJ Katong Convent. The Singapore Youth Festival (SYF) Arts Presentation saw each girl in our 6 performing arts groups rehearsing to perfect that pitch, that move, that rhythm and the entire group synchronising every move and sound to achieve that perfect harmony to touch the hearts of the audience and judges. There was the SYF buzz in every corner of the school – around the piano at the upper foyer for the Choir by 7 am in the morning, in the Dance Studio, Black Box, Band Room, Music Room, AVA Room and other special CCA Rooms for the performing arts groups in the afternoons.

Out at the various sports competition venues, our girls were flying the KC flag high with their courage and resilience despite the tough competition from other schools. They braved the elements – waves, currents, wind, sun and rain in a fine display of excellence and sportsmanship. Though every miss was a painful experience, learning to move forward must be far honoured and cherished. Nothing could dampen the KC spirit and we salute all our sports girls for their grit and determination to stay steadfast in their mission.

Prayers, good wishes, words of encouragement and congratulations flowed spontaneously among teachers and students to cheer the girls on. In addition, teachers and classmates provided extra academic support for those who were out at competitions. All these gestures were reciprocated by the girls who graciously expressed their gratitude to the KC Family for their inspiring support and warm encouragement after their various competitions.

Among other events which added to our students' school experience were our Band performance at The Esplanade and our Easter Monday Assembly. All were opportunities for the KC Family to come together to remind each other of the important things in life – celebrating our God-given talents and thanking God for all His special blessings on Katong Convent.

We continue to pray for the well-being of the KC Family and that each member will grow from strength to strength.

Thank you and may God bless you and your family.

Yours sincerely

Patricia Chan (Ms)  
Principal

## GENERAL INFORMATION

### 1. Entrepreneur Club Fundraising Effort

On 7 April, Entrepreneur Club brought their entrepreneurial venture to the KC community. The primary objective of this project was to provide a platform for members to exercise their entrepreneurial skills in support of the school's fundraising efforts through setting up a pop-up stall within the school. Two teams within Entrepreneur Club had won the bid to organise the first session, planned in conjunction with International Friendship Day. The two winning team leaders had to plan and organise the retail endeavour which was set up in the upper canteen during all recess periods as well as both lunch breaks. They also assisted in sourcing for appropriate snacks to reflect the commemoration of International Friendship Day, planned the manpower deployment and ensured all logistic requirements were met. Other members roped in to take on roles such as merchandisers, display artists and sales assistants. Expectedly, they faced many initial challenges due to their lack of experience but the support of their members made the journey very enriching.

At the end of the project, they felt a sense of accomplishment as they overcame all obstacles through teamwork and ensured a profitable venture. On 20 April, Gracee Ng Yun Lin (Sec 3/4) and Rachel Lee Jia Xin (Sec 3/3) presented the school with \$586.15 being the net profit from the project. The Entrepreneur Club would like to thank everyone for their support in making their first fundraising effort a success.

### 2. KC Debating Team - ACJC Oldham Cup 2017

In another intense competition, KC Debating Team sent two young teams of five debaters each to the ACJC Oldham Cup staged from 6 to 8 April. These comprised Charlotte Lee Jia Wei (Sec 2/3), Lydia Lee Yun Qi (Sec 3/3), Cheryl Arun (Sec 3/4), Christine Ong Shu Hui (Sec 3/5), Foo En Qi, Lauryn (Sec 2/3), Cheryl Chua Xin Miao (Sec 2/5), Queeshia Fenella Mateo Pascual (Sec 2/5), Nethelynn Yang Xuan (Sec 1/3), Chloe Loh Si Ying (Sec 1/4) and Keris Lim Zhuo Yan (Sec 1/6).

The ACJC Oldham Club is a rapid-fire competition where teams from different levels ranging from the junior colleges to the foreign-system schools are matched regardless of age or experience. Over the course of 2 evenings and 1 full Saturday, the KC team was subjected to 8 rounds of debates on unseen motions and had only one hour between each round to prepare their case arguments. We met opposing teams from junior colleges to international schools with a wide spectrum of abilities and experiences.

We are happy to report that in our KC Debating Team, we value the experiences forged under the glare of competition for our debaters that go a long way to build the resilience necessary for character development.

### 3. Singapore Schools Debating Championship 2017

KC Debate continued with 2017's debating season with the annual Singapore Schools Debating Championship that was organised from 10 Feb to 31 Mar. This highly competitive national debating competition is held over qualifying rounds that pits schools in division level match-ups. KC is in Division 2 where we scored a school-best attainment of runners-up in last year's finals.

Katong Convent fielded debaters Queeshia Fenella Mateo Pascual (Sec 2/5), Lydia Lee Yun Qi (Sec 3/3), Cheryl Arun (Sec 3/4) Christine Ong Shu Hui (Sec 3/5) and Joan Faith Ong Min Wei (Sec 4/4). This team represented a mix of experienced and fresh-faced debaters that symbolised the continuity plans for the team as we expose our younger but eager debaters to the adrenalin-fuelled arena of competitive debating.

The qualifying rounds were held on 10 Feb, 3 and 24 Mar. Over the three separate evenings of competition at various school venues, KC did battle with Nan Hua Secondary, St. Joseph International School and Anderson Secondary School. Battling over esoteric debate motions that ranged far and wide from crime and punishment to politics, our debaters jostled with commitment and tenacity to head off the counter-arguments against worthy opponents. Our efforts earned us a berth at the quarter-finals on 31 Mar where we faced Singapore American School over an impromptu round. This meant that our debaters had a short one-hour to prepare before debating on their motion. Despite the best of our efforts, we were out-scored on linguistic flair and narrowly lost our match.

Even though we did not proceed further this year, we are happy to report that Christine Ong Shu Hui (Sec 3/5) has been awarded the Top 10 Best Speaker Award and that we had acquitted ourselves with our young team who will further develop in experience for next year.

#### 4. Appreciation of Chinese Musical

On 9 April, about 100 students mainly from the Secondary Three cohort watched a highly acclaimed local Chinese musical *Lao Jiu* (老九). The musical, which was adapted from a play by the late theatre doyen Kuo Pao Kun, centred on a boy named 'Lao Jiu'. Being 'the ninth child' and the only son in the family, he was torn between fulfilling the immense expectations of his family to take up a prestigious scholarship and chasing after his dream of becoming a master of a declining traditional art - puppetry.

The heart-warming story was told through a flawless tapestry of song, dance and various forms of puppetry. Our girls were a great audience. They enjoyed themselves and some were even moved to tears as they witnessed the struggles of Lao Jiu unfolding! On this note, the school would like to thank the Committee to Promote Chinese Language Learning- Cultural Programme Exposure Scheme (CPCLL-CPES) and Tote Board (Arts Grant) for making this cultural appreciation experience possible for our students.

#### 5. Lower Secondary Chinese Language (CL) Narrative Writing Programme

In our efforts to provide more support for Lower Secondary students to help them develop confidence in CL narrative writing, the Mother Tongue Languages Department initiated a collaboration with external facilitators. A total of 5 sessions were carried out with the Secondary Two students this term.

The facilitators equipped students with the language and skills needed for character description (人物描写) in narrative writing. Students were exposed to a variety of language activities involving the creative use of their interest in horoscope, personality tests and songs. The lessons were customised to complement textbook teaching so that students would be able to see connections between the learning of character description in the textbook and real-life experiences.

We hope that the CL narrative writing programme had deepened our Secondary Two students' experience in narrative writing and empowered them to become more self-directed in their learning to better appreciate narrative writing. For Secondary One students, this programme will take place in Term 3.

#### 6. Assembly Programme (First Semester)

To enhance the holistic learning of our students, our assembly programme this semester presented a spread of experiences in the various domains of communicative, performing and visual arts, character and citizenship education, education and career guidance and personal reflections. The talk by the Central Narcotics Branch on drug abuse and the other, by various

institutes of higher learning on post-secondary options raised the students' awareness in the respective areas. Two performing arts items - one, a play on mental well-being by TheatreWorks and the other, a dance performance by Frontier Danceland were also presented to the girls.

In our aspiration to nurture our girls to be discerning citizens of the world, our teachers facilitated a discussion following a film screening on migrant workers in Singapore. We continued to include several sessions to intentionally create opportunities for form teachers and students to work and learn together. Among others, there were the Chinese New Year class decoration and another class-based art activity, The Big Draw. The assembly platform had also provided opportunities for student voice when the 2016 Secondary Three student participants shared what they had learnt from their work attachment to encourage their juniors to participate too.

## 7. 2018 Secondary Three Subject Options Briefing

In KC, the process of Secondary Two students choosing their subject combination for Upper Secondary is one step in the larger Education and Career Guidance journey during their secondary school years. During the concurrent briefings for the Express and Normal (Academic) cohorts on 12 April, parents and students were introduced to the various post-secondary education pathways, the type of learners they cater to and the role of the different subjects in the admission criteria.

Framed within this context, parents and students should take a long term view when choosing the subjects, as well as consider their alignment with the student's strengths, interests and ability. Parents were also encouraged to continue this conversation with their daughters. Helpful strategies are available in the booklet 'Journeying with our Children from Education to Aspirations', which was issued to students in the week after the briefing. Parents of Secondary Two students may access the slides presented on MC online.

## 8. Easter Monday Celebration

Easter was celebrated during the afternoon assembly in the school hall with a para-liturgical celebration on 17 April. This year, for the first time, it was led by students from the Spirituality Team where two "disciples", re-enacted the story of the Road to Emmaus. At various points in the presentation, they discussed pictures or symbols of the faith. The students' re-enactment brought a deeper understanding of the Easter message which is to bring God's love to those who are sad and share joy with those who are happy.

Our students then proceeded to their classrooms to further celebrate the festivities through the 'Angel & Mortal' game. As in previous years, each student was called to be a secret "angel" to another in the class. The "angels" then revealed themselves to their chosen mortals through the exchange of gifts, such as candies and simple letters of encouragement to affirm their friendships. While Easter is celebrated once a year, the promise of renewal is a daily reality and is seen in the gift of each new day and the invitation to all is to believe that hope and love is always greater than the darkness of our fears and anxieties.

## 9. Experience ITE for Sec 3NA students

The Experience ITE Programme was a one-day programme for Sec 3 NA students specially designed to help our girls experience ITE and discover how a Hands-on, Minds-on, Hearts-on ITE education can help advance their careers.

On Tuesday 18 April, our Sec 3NA girls were introduced to an ITE education and brought on a college tour. They visited a showcase of the collaboration between ITE and a firm, Festa: the Light and Sound production studio and saw for themselves other student facilities and the wide range of CCAs available to ITE students.

They had the opportunity to try fun hands-on projects at the Experience ITE Centre which both challenged their creativity and enabled them to experience the exciting learning environment at the college. They were channelled by their RIASEC (Holland Occupation Themes) code to two of the four schools to help them understand the application of skills and knowledge that ITE students learn. The four schools were: Applied and Health Sciences, Business Services, Electronics and Info-Comm Technology, and Engineering. The visit ended with a debrief from representatives of the four schools and a survey of the programme.

The girls found the visit useful and beneficial with many fully engaged in the activities. They look forward to other ECG activities to help them understand future opportunities and pathways.

## 10. Youth for the Environment Day 2017

The Youth for the Environment Day (YED), which falls in April every year, is a key platform to engage the youth to champion environmental ownership through leading, organising and participating in programmes to show their passion and commitment towards global and local environmental issues. This event is aligned with Earth Day which falls on 22 April.

This year's YED theme is 'Imagine. Create. Change.' focussing on food waste reduction and recycling. In alignment with the theme, Katong Convent has rolled out activities to get students involved in caring for our environment, one of which is the YED recycling competition. The top eight classes with the highest weightage of recyclables for the month of April will win attractive prizes.

The school has also put up information on local environmental issues on the information panels in the library to raise awareness amongst students regarding biodiversity conservation (e.g. saving the rare, one-horned rhinoceros in Nepal) and how we could reduce food waste by ordering what we can consume and accepting edible 'Ugly Food' instead of rejecting them. What is unique this year is that the school also participated in the 'Love your Food Activity'. A photo booth was set up during the students' recess to encourage them to finish their food and take a picture with their empty plates at the booth to support the cause on food waste reduction. The photos were then uploaded on the school's KC\_YED Instagram as a pledge to reduce food waste.

It was a meaningful month where the students as well as the staff put in a conscious effort to adopt simple environmentally-friendly habits to care for our environment.

## 11. Post – Mid-Year Examinations Activities

As soon as the Mid-Year Examinations are over, the Mother Tongue Languages Department will conduct intensive Mother Tongue lessons to prepare our Sec 4 Exp / 5NA girls for their GCE 'O' Level Mother Tongue Language Examination commencing Monday 29 May.

The Sec 4E, 4N & 5N structured lessons are scheduled from 31 May to 2 June and 21 to 22 June. Holiday homework by each department will be planned for all levels. It will be good to plan a timetable for your child/ ward to balance her homework, CCA and family time. The structured lessons timetable and a summary of the major programmes or activities will be uploaded on MC Online for your reference.

## 12. Founder's Day cum Honours Day

To celebrate the many blessings and achievements the school had in the past year, we will commemorate Founder's Day and Honours Day on Friday, 26 May. More details will be provided nearer the date and we look forward to your support in this key school event.

### 13. Travel Plans Declaration Form

If your family is travelling abroad this holiday, please complete the Travel Plans Declaration Form, available in the General Office and on our school's website, and submit it to the General Office before you leave. Do remember to observe good personal hygiene and health practices. We hope that you will be able to spend some time together as a family during the month-long holidays and our girls will come back recharged and ready for Semester 2.

## ACHIEVEMENTS

### 1. Girl Guides – Ayrwaves International Camp 2017

Two of our Girl Guides, Panneerselvam Abirami (Sec 3/6) and Shannon Siew-Tong Odermatt (Sec 2/5) have been selected to go for the prestigious Ayrwaves International Camp 2017 from 29 July to 5 August. They will experience the international camp in Scotland and make friends with Girl Guides from around the world. Congratulations, girls!

### 2. Odyssey of the Mind

On 7 and 8 April, Dramatic Arts Society sent 3 teams to compete in the Odyssey of the Mind competition at ACS Independent School. The competition required the competitors to think out of the box when solving a problem and to present a devised performance. This competition was particularly challenging as the teams had to write the script, build their sets and props, create their costumes and rehearse. It was a very rigorous competition and all 3 teams rose to the challenge.

A 6-member team comprising the following members clinched the 2nd place in their division: Nandwani Halisha Dinesh (Sec 4/1), Aisyah Bte Ibrahim (Sec 4/3), Clarice Jesse Chung (Sec 4/3), Eustacia Low Ying Yee (Sec 4/3), Constance Tan Hui Li (Sec 3/3) and Mo Zhen (Sec 3/3), earning the team an invitation to represent the school in the Odyssey of the Mind 2017 World Finals at the Michigan State University from 24 to 27 May. Well done, girls!

### 3. Singapore Youth Festival (SYF) Arts Presentation

The Performing Arts (PA) CCAs in KC are an important part of the school's focus on the Communicative, Performing and Visual Arts (CPVA), and the recent SYF Arts Presentation afforded the school an opportunity to showcase the vibrancy of our PA CCAs. All six PA CCAs had been preparing for the SYF Arts Presentation since November 2016, and with the conclusion of the SYF at the end of April, we are proud to announce the following SYF achievements of our PA CCAs:

Choir: Certificate of Distinction

Chinese Drama: Certificate of Accomplishment

Chinese Orchestra: Certificate of Accomplishment

Concert Band (Woodwind Ensemble): Certificate of Distinction

Concert Band (Brass Ensemble): Certificate of Distinction

English Drama: Certificate of Accomplishment

Modern Dance: Certificate of Distinction

Congratulations!

#### 4. Secondary Schools Touch Championship

Sometime in the first week of Feb, our two Sec 5 classes started learning how to play the game of touch rugby during their PE lessons. Soon after the first lesson, their PE teachers invited students who were interested to sign up to play in a touch competition for novices at the end of March. 21 of them took up the challenge and signed up. This, despite having absolutely no experience in touch, and knowing that they would only have the time during their PE lessons to pick up the sport. These 21 girls went on to represent KC in the first ever Secondary Schools Touch Championship organised by the Touch Association of Singapore on 4 April.

Both teams did us proud, with their can-do spirit, their willingness to try new things, to challenge themselves, and at the competition itself, with the excellent sportsmanship that they displayed towards their teammates and the opponents. They never gave up during the tough games, played under the hot sun and in muddy conditions, and were constantly encouraging and spurring each other on no matter what.

To top off a wonderful day of great games and teamwork, one of our KC teams, Team 2, came in 2nd (out of 8 teams) overall. The members were Tan Hui Xuen (Captain). Miuki Denise Murakami (Vice-Captain who was also named the Most Valuable Player), Hallie Jane Young, Felicia Anne Somasundram, Perlyn Chong Wan Qi, Diannurhiedayah Raihannisfatih, Tan Yan Fei Dione, Soo Hui Ashley, Dami Chua and Victoria Chan Yu Rui. Well done, girls!

#### 5. National School Canoeing Championships

The National School Canoeing Championships (NSCC) was held from 17 to 20 April at the MacRitchie Reservoir. In this competition, Team KC fielded a team of twenty canoeists to compete in the B Division Girls and C Division Girls in various race categories.

Faith Marie Low (Sec 4/5) attained 6th placing in the Finals for the B Division Girls K1 500m event. Sheridan Chua Lee-Min (Sec 3/4), Damia Humaira Bte Ridwan (Sec 4/1), Tatiyana Elisa Bte Hermanto (Sec 4/4), and Nur Razza Farwyzah Bte Abdul Razak (Sec 4/5) attained 6th placing in the Finals for the B Division Girls K4 1000m event.

Shanais Yuen Ziqing (Sec 4/3) fought hard to achieve 6th placing in the Semi-Finals for the B Division Girls JK1 500m event.

Team KC acknowledges the hard work put in by the competitors. The experience fostered camaraderie within the team and built sportsmanship in our girls.

#### 6. National School Games Track and Field Championships

Our track and field CCA members participated in the various events in the National School Games Track and Field Championships 2017, and we are proud to announce that Gwendolyn Therese Lim Ean Bee of Sec 3/1 qualified for the B Division Girls 100m finals, which was held at the Sports Hub on 28 April. Gwendolyn emerged 5th out of 8 finalists, making her the 5th fastest B Division female runner in Singapore! Well done, Gwendolyn!

#### 7. National School Games Swimming Championships

Three of our students also participated in the National School Games Swimming Championships 2017, and we are extremely pleased to announce that Christie May Chue Mun Ee of Sec 5/1 won two gold medals for the school, in the B Division 50m Breaststroke and 100m Breaststroke events. Christie also broke the meet record for the 50m Breaststroke event. Congratulations!

## 8. National School Games Taekwondo Championship

From 17 to 20 April, six of our students participated in the National School Games Taekwondo Championship 2017, and we are proud to announce that 4 of them have clinched prizes in the following categories:

C Division Poomsae (Poom Belt) Individual - 2nd  
Chong Ka Yan Rachel-Ann, Sec 1/4

B Division Poomsae (Black Belt) Team - 4th  
Ho Yan Yi Ashley Kay - Sec 4/2  
Mun Kye-En Stasia - Sec 4/3  
Mudaliar Indiraa B - Sec 4/6

B Division Kyorugi (Black Belt, Under 64kg Category) Individual - 2nd  
Mudaliar Indiraa B - Sec 4/6

## 9. NUS Geography Challenge 2017

Erinn Choong Jade Yi (Sec 4/6), Wendy Li Xu Wen (Sec 4/4) and Lai Yin Sun (Sec 4/6) represented KC in the NUS Geography Challenge 2017 (NUS GC). The NUS Geography Challenge seeks to ignite passion and inspire secondary school students to develop a keen interest for the dynamic discipline of Geography. The theme for NUS GC was "Water in Our World: Managing Flows in Nature and Society". Through the competition, the students were encouraged to think of the various ways in which our lives are influenced by water issues, and were prompted to think of how water could be used more sustainably and responsibly for the future.

Our students performed excellently in the Preliminary Round, where Erinn and Wendy achieved the 'Individual Gold Award', while Yin Sun achieved the 'Individual Silver Award'. Their achievements qualified them for the semi-finals, where the girls conducted an independent geographical investigation on the waterscape of the Bishan-Ang Mo Kio Park as well as participated in an Amazing Race-styled Geo Trail around Singapore.

Through the various tasks they were required to perform, the girls relished the invaluable experience - seeing Geography come alive in many real world contexts, learning to move around Singapore on public transport without the use of their mobile phones and developing critical thinking, perseverance and teamwork.

# CHIJKATONG CONVENT PARENT- TEACHER SUPPORT GROUP

PTSG website hyperlink @ <http://www.chijkatongconvent.moe.edu.sg>

**OUR GIRLS, OUR FUTURE**

## 3rd PTSG Meeting of 2017

The third PTSG meeting was held on Saturday 8 April from 8.30-9.30am. This meeting saw the finalisation of ideas from parents about possible activities for the rest of semester 1. The following are the three confirmed activities:

Badminton – 29 April 2017

VIA in the KC Neighbourhood - 3 & 4 June 2017

Parents' race for Sports Day - 19 May 2017

We thank parents for all their contributions and we look forward to seeing you at the upcoming sessions and activities. If you have more ideas for the PTSG to consider, do share them in the WhatsApp group for only PTSG activities. If you are keen to be involved and are not yet in the group, please contact Tricia or Christine.

## PTSG Meetings & Activities in Semester 2

For Semester 2, PTSG will be meeting on a more informal basis (e.g. at a parent's home, cafes, restaurants, etc.) to promote camaraderie and to continue discussing parent-child, parent-parent and parent-school activities. The PTSG council will keep parents updated on meeting dates, venues and agendas. We hope this new mode will encourage more networking and livelier discussions and we hope to see you at our next gathering. Stay tuned to the Whatsapp channels for more information!

## PTSG T-shirt

PTSG has created their very own KC PTSG T-shirt for parent volunteers! These comfortable navy blue-coloured tees are available in a range of sizes for \$15/ piece. If you are interested in getting one for yourself, do let your level PTSG representative know (via Whatsapp) or you may also contact Ms Cheryl Anne Lim.

## CONTACT DETAILS

Please note our contact details below. We welcome your suggestions and feedback.

**FAMILY**matters!

## Effective Communication with Your Teen

You find that you have to repeat yourself, resorting to threats, raising your voice & even shouting to get your teen's attention. You get frustrated, angry & desperate! If that sounds like your household, you're not alone!

Communicating with a teen can be challenging. This interactive & practical parenting talk will help you to develop some effective communication skills with your teen.

### Content:

- Understand teen development and how it affects communication
- How to listen effectively
- How to talk - what not to do; what to do
- Getting cooperation from your teen

**Venue: CHIJ Katong Convent**

**Date: 6<sup>th</sup> May 2017, Sat Time: 9.30am - 11.30am Fees: Free!**

**Light refreshments will be served**

### **Speaker: Mrs Sarojini Padmanathan**

A popular parenting facilitator and trainer, Mrs V. Sarojini is passionate about educating parents on healthy parenting skills and maintaining a happy marriage. She is currently Senior Director at Singapore Indian Development Association (SINDA) and holds a Masters of Business Administration with specialisation in Training and Development. She has also completed the Parent Facilitator Training under the School Family Education Programme (now called Family Matters@School Programme administered by MSF) and has obtained the Diploma in Family Life Education, conferred by the Lee Community College.

Sarojini is one of a 6-member expert panel set up in 2013 by the Ministry of Social and Family Development (MSF) to help strengthen capabilities in the Family Life Education (FLE) sector.

She has been happily married for 29 years with 3 lovely grown up daughters, all of whom have graduated.
