KC/G/2024/47

10 September 2024

Dear Parents/ Guardians

We hope the girls had a good September break. The Term 3 results slips were issued to the girls on the last day of Term 3, and we encourage you to continue your conversations with them on their goals, progress and areas for growth.

In this letter, we will be sharing information on school matters in Term 4.

### **1. Supporting Students during Exam Period**

A special blessing was said for our graduating cohort during the Teachers' Day Mass at the end of Term 3. We continue to keep them in our prayers as they sit for their national examinations. Excellence is one of our school values and as the girls work hard to achieve their personal best, we pray that they will remember, even beyond their time in KC, that their worth is not defined by their achievements and that God loves them.

For Sec 1 to 3 students, the End-of-Year Examination is a culminating assessment where students apply the knowledge and skills they have learnt over the year. To provide students with more time for revision, CCA will stop from 16 September and will resume on 11 October.

During this examination period, let us continue to encourage and support the girls and watch out for their well-being.

### **2. Upcoming Programmes**

#### Sec 1 to 3 Post-Examination Programme

As the school is used as a venue for the GCE O-Level written examinations, Sec 1 to 3 students will be dismissed earlier on some days during their post-examination period. The CCA start time will also be adjusted accordingly. The Sec 1 to 3 post-examination timetable will be sent via Parents Gateway nearer the date.

#### Sec 3 Academic Programme

The last day of school for Sec 1 and 2 students is Friday, 25 October 2024. Sec 3 students will continue to have lessons from 28 October to 1 November as part of their Academic Programme. The information on Sec 3 Academic Programme will be sent via Parents Gateway nearer the date.

### **3. Pilot for Lunch on CCA Days**

To manage the lunch crowd in the canteen on CCA Days (Wednesdays and Fridays), students will be allowed to leave the school for lunch. They are expected to report punctually for their CCAs in

school. Food is still available for sale in the school canteen should students choose to remain in school for lunch. This arrangement will be in place for Term 4 and students have been briefed on it.

#### **4. Students Our Pride**

Our students have diverse interests and strengths, and the school seeks to provide experiences and opportunities that will develop their character and nurture their talent. This year, more than 100 students performed in the National Day Parade, putting in many hours of practice and rehearsals on Saturdays. Our students have also participated actively and attained excellence in various activities such as National School Games, Infant Jesus Youth Mission Inter-School Competition, Singapore International Band Festival and National Camp for Uniform Groups. At the recent Catholic Education Sunday, our students served in various parts of the Mass such as being hospitality ministers, lectors and singing in the choir.

We are proud of our students' growth and would like to thank the Parent Support Group and all parent volunteers for your strong support. By serving in various ways, such as being chaperons, advisers, planners and supporters, you have made it possible for the school to provide these learning experiences. Thank you!

Thank you for your partnership in developing our students. Please call the General Office at 6448 6433 or email [chijktcs@moe.edu.sg](mailto:chijktcs@moe.edu.sg) should you have any queries.

Yours sincerely

Mrs Tan Mei Chuen
